Membership Form

The New Hampshire Coalition for the Support of Service Dogs is a 501(c)(3) IRS-recognized nonprofit organization. Our mission is to create a statewide network of businesses and individuals to help service dog owners provide their working service dogs with the best quality of life possible. We focus on outreach and awareness, answering the questions and concerns of service dog owners while educating businesses, landlords, and the general public. Our future goal is to provide financial assistance to service dog owners, helping qualified individuals with the cost of veterinary care, medicines, and food.

Our membership requires no fee and comes with no obligations, but there are many simple things that you can do to help us spread service dog awareness and grow the network.
